New Location Signs Information used on CRN

Implementation

From 0600hrs Tuesday 27th March 2018, John Holland Rail will introduce additional information on Location Signs identifying the designation of the location including Crossing, Siding and Block locations.

The new location type information will be progressively installed on the CRN as location signs are replaced.

The additional information is designed to provide Rail Traffic Crews with improved safeworking planning for rail traffic movements.

Updates to the JHR Network Rules will be provided on the JHR CRN website when complete.
