

## Network information publications

---

### Purpose

To prescribe the rules about access to Country Regional Network (CRN) Network information.

### Information services

Competent Workers must have access to the following publications that relate to their area of work in the CRN:

- Network Rules
- Network Procedures
- Network Local Appendices
- Electrical Safety Instructions
- Country Train Notice (CTN)
- Train Operating Conditions (TOC) manual
- Train Operating Conditions (TOC) Waivers
- SAFE Notices
- Weekly Speed Notices.

Competent Workers must be provided with relevant information about changes to the above publications that affect their work duties and responsibilities.

Organisations employing Competent Workers in the CRN must make sure that they provide workers with information and CRN publications relevant to their duties.

### Responding to information services

Competent Workers must read and use the information in relevant publications to do their work.

### Authorisation

CRN publications must clearly state that they are issued on behalf of CRN by an authorised person.
