Timetable Alterations

TMCS Update

John Holland Rail will be conducting an update to the TMCS train control system. During this time, rail traffic will not be permitted to:

- commence on a train path from origin location,
- perform a crossing or passing movement with other rail traffic,
- cross into a rail corridor where the system of safeworking is Train Order Working.

Rail traffic already in possession of a train order must continue to operate as instructed by the Network Control Officer in accordance with the Network Rules and Procedures until a new authority can be generated.

All Track Occupancy Authorities and Local Possession Authorities must be fulfilled prior to the times shown below.
